Lupus alpha Business Solutions GmbH Wins “2016 Solution Partner of the Year Germany Award” at the International Jedox Partner Awards

Jedox honors Business Intelligence and Enterprise Planning Specialists at Jedox Global Partner Summit in Berlin

Frankfurt, September 30, 2016 – Lupus alpha Business Solutions GmbH announced today winning the “2016 Jedox Solution Partner of the Year Germany Award”. Lupus alpha Business Solutions GmbH was honored among a global field of top Jedox Partners for excellence in providing trusted, innovative, and user-centric BI and Enterprise Planning solutions built on Jedox technology. The award was presented at the annual Jedox Global Partner Summit in Berlin.

“Jedox and Lupus alpha Business Solutions GmbH together create powerful solutions for companies seeking to simplify their planning, reporting, and analysis,” said Bernd Eisenblätter, CSO, Jedox. *“Partners like Lupus alpha Business Solutions GmbH are setting the standard for innovation and making a significant and valued contribution towards the joint international growth of Jedox and its partner ecosystem.”*

“Lupus alpha Business Solutions GmbH has a strong focus on optimizing asset management for banking and insurance customers,” said Joerg Rieth, Regional Senior Partner Manager DACH, Jedox. *“They offer a complete enterprise solution including the data warehouse, different connectors and a strong reporting and planning system based on Jedox.”*

The Jedox Partner Award honors outstanding achievement and excellence in the Jedox Partner community. Award winners are recognized for their commitment to Jedox market development, their focus on customer satisfaction, and for achieving year-over-year sales growth.

Winners of the 2016 International Jedox Partner Awards were announced on September 27 2016, during a gala celebration at the Partner Summit, Jedox’s annual global partner conference. This year’s Partner Summit was held in Berlin for three days of learning, networking, and celebrating. The event brought together more than 150 partners, product experts, and industry thought leaders.
